Children's Cup of Russia

Competitions for the 2025 Russian Chess Cup among boys and girls under 9, 11, 13 years old and boys and girls under 15 years old (hereinafter referred to as the Children's Cup of Russia, abbreviated as DKR) consist of regional Russian tournaments with the status of stages, and the final stage. The results of the competition are summed up according to the results of the final stage.

The competition is held in the following age groups:

- boys and girls "up to 9 years old" (born in 2017-2020),
- boys and girls "up to 11 years old" (born in 2015-2016),
- boys and girls "up to 13 years old" (born in 2013-2014),
- boys and girls "under 15 years old" (born in 2011-2012).

Boys and girls in older age groups are allowed to participate.

In each of the tournaments of a separate age group, the participation of representatives of at least 3 subjects of the Russian Federation, strictly corresponding in age and gender to their group, is mandatory. At least 10 chess players - citizens of Russia - in tournaments for boys (boys), at least 8 chess players - citizens of Russia - in tournaments for girls (girls).

If the requirements for the representation of the subjects and the number of participants who are citizens of Russia in a particular age group are not met during the registration of participants, the CFR does not assign cup points to their participants.

Athletes have the right to take part in an unlimited number of stages of the DKR during the year. Regulations on stage tournaments are developed by regional federations and agreed with the

CFR.

"Credit" points are awarded to chess players who have Russian citizenship and represent the Russian Federation in the FIDE rating list (abbreviation in the rating list - RUS or FID).

Participation in the stages of the DKR of athletes who do not have citizenship of the Russian Federation does not affect the distribution of "credit" points.

Finale.

Athletes who have Russian citizenship and represent the Russian Federation in the FIDE rating list (abbreviation in the rating list - RUS or FID) are allowed to participate.

Eight athletes take part in each age group: seven - those who scored the highest number of "scoring" points in any three regional stages of the DKR (hereinafter referred to as the main participants) held in the period from January 02, 2025 to December 01, 2025, and one athlete by the decision of the CFR Coaching Council (hereinafter referred to as the additional participant).

In case of refusal of any of the main participants, the candidate list is formed by the decision of the CFR Coaching Council.

In case of equality of "qualified" points for two or more participants, the place reaching the final is determined: 1) by the highest percentage of points scored by the participants in all games of the "scoring" stages; 2) by the smallest amount of places taken by the participants in the "scoring stages".

The regulations of the final stage of the DKR are determined by the main panel of judges appointed by the CFR.

According to the results of the final stage of the 2025 DKR, participants who took 1-3 places are awarded diplomas, medals and receive the right to participate in the individual championship of the Russian Federation in 2026 as the main participants.

Athletes who took 1st places are sent*, by the decision of the CFR, to participate in the 2026 World Championships or the 2026 Asian Championships among boys and girls, boys and girls in the respective age categories.

* An athlete is sent to an international competition only if there is an accompanying person. The CFR does not bear the costs of sending an accompanying person.
