  4. No one allowed to sending private message to any of our members in Sundays with Unity Telegram group without the permission of that person.
- Any of these things happen, the player will straight goes to the Blacklist and won't be able to play in the tournament anymore.

## **The Power of the Jury:**

1. Requiring players to play under the camera if needed.
2. Prohibiting offending players from participating in future matches.
3. Issues a verdict for players who have committed a violation outside the rules of the regulations.
4. Verification: Ask players to play some blitz games on camera with the presence of some members of the jury after the end of the tournament, in order to verify their performance in the competition.
5. Asking players to move up their Lichess Blitz rating to certain level.

## Prizes terms and conditions:

1. All results will be announced and prizes will be paid after 72 hours.
2. Cash prizes are given to the top places, ranked by Lichess.
3. If a player is eligible for two prizes between the sections, the higher prize is awarded.
4. The USCF (United States Chess Federation) rated players who don't have Fide rating, will be eligible to receive the section prizes. Here is the formula to calculate their Fide rating:  $(USCF-100 = \text{Fide rating})$ . That means a USCF player with rating of 1650 would be eligible to receive the section prize for under 1600 ( $1650-100=1550$ ).

 The goal of this tournament is to provide a safe environment where chess players can compete and enjoy the games. Wish everyone good luck!
